Tonight's Match Sponsors: B. & R. TAYLOR GROUP

ALAN SPENCE welcomes his old clubmate . . .

GOOD EVENING ladies and gentlemen.

It is our privilege and pleasure to welcome to Victory Park tonight illustrious First Division neighbours Bolton Wanderers, along with their opponents, the Malawi National XI, who are currently on tour in this country.

We consider it an honour to be asked to stage this match, which gives Chorley fans the chance to see First Division players in action, as well as to assess the standard of play of our foreign visitors. We hope to see Malcolm Allison's Manchester City team at Victory Park in October when our new floodlights will be officially opened.

It is particularly pleasing for me to be able to renew acquaintanceship with Wanderers' assistant manager Stan Anderson, who was a playing colleague of mine at Sunderland in the late 50's, and who has since seen service with several clubs, before finally settling down as Ian Greaves' assistant at Burnden Park.

We look forward to an entertaining evening and wish both teams success in the future.

Ex-Wanderer looks back . . .

BRIAN PILKINGTON . . .
as Bolton fans remember him.

BRIAN PILKINGTON, a former Chorley coach who returned to Victory Park this season as team manager, remembers the night he first met Stan Anderson, now Bolton Wanderers' assistant-manager.

"It was in March, 1954, and we were both in the same England 'B' team that drew 1-1 with Scotland at Roker Park, Sunderland," recalled the former Burnley, England and Wanderers winger.

"The match was England's first representative game in this country under floodlights."

Pilky, who also had spells with Bury and Barrow, remembers Wanderers ace Willie Morgan as a Burnley youngster. "He used to clean my boots in those days. Now he could show me a clean pair of heels!"

Brian played in the same England team in 1954-55 as Wanderers wing-half Johnny Wheeler and the legendary Nat Lofthouse.

JIM McDONAGH (Goalkeeper). Jim must be the bargain of the decade, signing for the club for a £10,000 fee three seasons ago after a month on loan. Matches his 6ft. height with ability.

TERRY POOLE (Goalkeeper). Signed from Huddersfield three years ago for a £25,000 fee, Terry has found his opportunities limited by McDonagh's good form.

DAVID BURKE (Defender). David emerged on to the first-team scene at the start of last season. From Winsford, he can play at full back or in midfield.

DAVE CLEMENT (Defender). England international full back signed from Q.P.R. for a £15,000 fee during the close season. A very experienced player who also enjoys joining in attacks.

PETER NICHOLSON (Defender). Signed for the Wanderers from Blackpool for a small fee seven years ago and has proved a fantastic bargain. Can play anywhere in defence.

ROY GREAVES (Midfield). The Wanderers' longest-serving player. Born at Farnworth, he has a well-earned reputation for being a non-stop worker.

PAUL JONES (Defender). Tall, quick-tackling defender who has been a member of the Under-23 and full England squads. A commanding player in the air as well as on the ground and has a habit of scoring vital goals.

SAM ALLARDYCE (Defender). Central defender born in the Midlands, Sam joined the Wanderers from school. Made his debut in 1975 and is another who scores vital goals, particularly headers from set pieces. Had a spell out of the side last season after losing his place because of injury.

MIKE WALSH (Defender). Manchester-born Mike joined the Wanderers from school. Equally proficient in the middle of the defence, at full back or in midfield.

NEIL McNAB (Midfield). Joined the Wanderers from Spurs last season for a £250,000 fee. A willing worker, he is a fine player of the ball and enjoys being in the thick of the action.

PETER REID (Midfield). Joined Bolton from school on Merseyside. Was a regular member of the England Under-21 side, which he also skippered. A talented player who had the misfortune to sustain a severe knee injury which put him out of action for the second half of last season.

LEN CANTELLO (Midfield). Cost the Wanderers a record £350,000 fee when he signed from West Bromwich in the close season. Delights in stamping his authority on a game. Always looking for a chance to attack, he is an exciting player.

WILLIE MORGAN (Winger). Started his career with Burnley then moved to Manchester United for a big fee. Returned to Burnley and was signed by the Wanderers four seasons ago. A Scottish international, Willie spent the summer in American football.

NEIL WHATMORE (Striker). Strong attacker. Was a prolific scorer in the Second Division, but found his appearances limited last season. Can also play in midfield.

FRANK WORTHINGTON (Striker). Colourful character who makes a big impact wherever he plays and just back from the United States. Signed for the Wanderers for a £90,000 fee from Leicester City in October 1977 after a spell on loan. Capped by England Frank was the First Division's leading scorer last season.

ALAN GOWLING (Striker). Signed for £120,000 from Newcastle two seasons ago. Started his career with Manchester United and moved to Huddersfield while Bolton boss Ian Greaves was manager there.

TADEUSZ NOWAK (Winger). Attacker who won international honours at every level for Poland. Signed just before the end of last season from Warsaw club Legia. Tall, speedy player who can play in any attacking position.

When the F.A. Cup came to Chorley

by John Newman

of the Daily Mirror

THE year of the White Horse Final — 1923 — has a place in Chorley's History as well as that of Bolton Wanderers, Wembley's first F.A. Cup winners.

Joe Smith's happy Wanderers, fresh from a triumph made possible by a policeman on a white horse, after gatecrashers had swelled the Wembley crowd to a record 200,000 and delayed the kick-off, brought the Cup to Victory Park for a friendly match against Chorley the Lancashire Combination champions, At least it was meant to be a friendly . . .

The trouble started when some of the Chorley fans, rightly proud to support one of the country's top non-league clubs, argued that the Magpies were as good as any Football League side. When the high and mighty Bolton came to Victory Park they would show 'em.

News of this misplaced loyalty reached the Wanderers' camp and the players who had graced Wembley were suddenly under pressure. A lesson was handed out all right . . . to Chorley — hammered 8-0 by a team who wanted only to show off their silverware and share their Cup triumph with "friendly" neighbours!

Chorley F.C. say 'thank you' to
